

How it Works!

Each day, your child can enjoy a frozen meal provided by BGC Riverview's Drop In program during lunch hour. By registering your child, they will be brought down to the Hub by a school staff or a BGC staff to be given a frozen entree to heat up and take with them to enjoy! We have a number of tasty options and best yet, it is **FREE!**

For Your Consideration:

- Limited Availability - If registry is full, we will have a waiting list.
- If a student/parent chooses to opt out, they must contact BGC Riverview to notify us, so we can fill the spot.
- Due to allergies and dietary restrictions, we cannot guarantee the specific contents of each meal. If your child has any food restrictions, we encourage you to be aware that we may not be able to accommodate these in every meal.

Registration Form

To Register:

Have this form submitted to a homeroom teacher. Forms will then be passed into the office where a Drop In staff will pick up.

Student's Name: _____

Age: _____

Teacher: _____

Grade: _____

Parent Signature: _____
